

suspended coffees

A suspended coffee is a pre-paid coffee (or other beverage or food) that you purchase at a participating café. The coffee is then held for someone that needs it for whatever reason.

It's all about sharing small acts of kindness.

How do I suspend a coffee?

#1 walk into a supporting coffee shop

#2 instead of buying just one cup of coffee you buy two or more

#3 barista then logs the second coffee as 'suspended', and it can be redeemed at any point by someone who needs it
